

How to browse and purchase via the platform.

Below is the landing page of our site, there are several ways you can navigate.

The green buttons allow you to view our online courses by type, as do the options under the “Browse by Type” links on the left-hand side menu.

As well as browsing by lecture type, you can also browse by Subject or Unit, this is done via the links under the “Browse by Subject/Browse by Unit” menu item on the left-hand side

Once you have selected one of the browse options, you are taken directly to a list of available courses, an example of which is below:

The screenshot displays the tsfx website interface. On the left is a navigation sidebar with categories like 'Home', 'My Courses', 'Browse by Type', and 'Browse by Unit'. The main content area features a grid of 12 course cards. Each card has a representative image, a title, a short description, and a green 'Enter Course' button. The courses listed are: 'Mastering the Exams', 'Master Classes - Unit 1 - Chemistry', 'Master Classes - Unit 1 - English', 'Master Classes - Unit 1 - Maths Methods', 'Master Classes - Unit 1 - Physics', 'Master Classes - Unit 3 - Biology', 'Master Classes - Unit 3 - Chemistry', 'Master Classes - Unit 3 - English', 'Master Classes - Unit 3 - Further Maths', 'Master Classes - Unit 3 - Maths Methods', 'Master Classes - Unit 3 - Physics', and 'Master Classes - Unit 3 - Psychology'. A search bar is visible at the top right of the main content area.

The above example shows all our Exam Revision Lecture options (as at August 2019). You can see a brief summary of the course as well as its price.

Course prices are varied based on the length of the lecture.

These courses are shown in alphabetical order, with 8 courses shown per page.

You can see more course options within the selected type by clicking on the page number or arrow at the bottom of the list.

If you would like to view more detailed information about a course, click on the “Enter Course” button to be taken to the Course Summary Page (See below)
